

PMCC Chairman's Report 2015-2016

We have had another good year at the Community Centre, maintaining a variety of regular users and increasing the number of party and commercial bookings.

We seem to have become the local venue of choice for children's parties.

The Community Centre is operating on a sound economic footing.

The high standard of decoration in the centre has been maintained, with the Chair Store being repainted by Mike Pugh, and all the chairs and tabled being cleaned.

A professional deep cleaning of the entire Community Centre planned to take place over the coming Spring Bank Holiday.

Upgrading of the closed circuit television system has been continued, with one further camera installed.

We have continued our programme to replace any failing light fitting with LED replacements, which will in time result in a considerable reduction in maintenance overheads.

Plans are underway to refurbish both the gents and disabled toilets.

All of the current members of the Management Committee have agreed to stand again. We are still hoping to find a replacement Booking Secretary.

I would like to record a big thank you to the members of the committee who have assisted with managing the bookings, particularly Alan Thirlwell.

We are fortunate to have such a strong team of volunteers willing to put in the time and effort to run the Centre so smoothly. We are still under strength, however, and would welcome some new volunteers.
